Dear Dr. S.G. Vishnu Sathya Garu, *Namaskaram*,

I am delighted to note that Sathya Unani Group of Institutions, Amberpet, Hyderabad, successfully organized the National Unani Seminar – 2026 on the theme “Scope and Strengths of Unani Medicine” during 13th and 14th June 2026. I convey my heartfelt greetings and congratulations to you and the entire organizing team, faculty members, scholars, practitioners, and students associated with this commendable initiative. Such seminars play a vital role in promoting awareness about the rich heritage, scientific relevance, and growing potential of the Unani system of medicine in addressing contemporary healthcare needs.

I was honoured by your invitation to attend the Valedictory Ceremony on 14th June 2026 as the Chief Guest. However, due to unavoidable prior official commitments, I was unable to participate in the programme. Nevertheless, I extend my best wishes for the grand success of the seminar and appreciate the efforts of your institution in fostering academic dialogue and research in the field of Unani medicine.

I am confident that the deliberations and exchange of ideas during the seminar will contribute significantly towards strengthening the Unani healthcare system and encouraging its wider acceptance and integration into public health initiatives.

With regards,

Yours sincerely,

(G. KISHAN REDDY)

To
Dr. S.G. Vishnu Sathya
Director & Managing Trustee
